After Glenn spent his first 9yrs growing up in chaotic conditions at home with 2 special parents & 4 special sisters, Jewish welfare along with a court order put Glenn & 4 sisters into Arcadia Jewish orphanage & precious mother Krugersdorp sanatorium & dad to stay in house alone. Glenn spent a lot of time on the street running from home being involved with lots of naughty things, and only God whom Glenn believed in but had no idea where or how God was.

Having learned Hebrew, had his bar mitzvah at 13, army at 16 for 2 years, worked at ok bazzars, bimbos, govt jewellery sales, turn & tender, then had his own bodybuilding gym, takeaways, catering business, motivation business, his late Mr universe & Mr SA bodybuilding champion fathers gym equipment business. At 29 Glenn was heavily laden and burdened, but suddenly in Dallas USA in 1989 Glenn had an encounter with a blond preacher lady who spoke God's word with love into my heart and Glenn was born again from above, in spirit and in the water of GOD miraculously met his Jewish Messiah Yeshua, Jesus, Isa and was healed from headaches, bad skin disease, frustration, anxiety, racism, apartheid scars, antisemitism, fear of reading his own Jewish bible, the new testament and the Quran. Glenn has paid all his outstanding moneys, he loves his children, grandchildren, 1001 sisters and his enemies. After the privilege of flying in 30 + aeroplane's around the world Glenn has been busy in community development with squatter camps, street people, prisoners, various faiths to love God and to love one another, job creation, healing the sick, soup kitchens, encouraging everyone he walks past & seminars all over the world. Glenn visited all the worlds' holocaust museums, including Dachau concentration camp in Germany, & yad vashem holocaust centre in Israel. Glenn has been trained in dynamic personal and organizational goal setting, time management, communication, physical fitness, leadership, community development with more than 45 nations of the world, & the whole bible & Quran and Hindu, buddist, hari Krishna bible and all other world religions.
