Dear

Thank you for the honour, privilege & joy of introducing myself to you. You can read my life story on my website from the guttermost to the uttermost. After a life of confusion & suffering, I am now experiencing breakthrough. I'm asking you to please donate millions towards my ministry of reconciliation and peace and forgiveness like Mr Mandela. I'm involved in hospital, prison, street, squatter camp, school, orphans, old aged ministry. I need billions for travelling, board & lodging, elec + water, my wife, kids and grandkids and then all the poverty and aids alleviation centres & the rest of the ministry.

After meeting P.W. Botha, F.W. de Klerk, Thabo Mbeki, Frank Shikane & others I told them I'm in SA to stay and help with the above. They said welcome to the family. Go for it.

So far I've travelled on more than 29 aeroplanes meeting and encouraging people of over 40 nations.

Thank you for taking a look at my website and for sending your donations to my Bank Of America or South African Absa Bank ... God richly bless and keep me and you faithful as we be a voice for the voiceless and bring hope to the hopeless, together....

I will keep you posted with monthly newsletters of the work in poverty and aids alleviation centre.

Please come back to me and ask any questions you have and let's start building bridges....

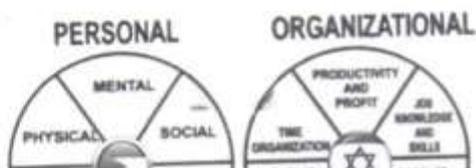

If you choose to donate and wish to stay private without wanting us to know who you are, no problem. God bless you. We are very grateful for your donations.
