Dear brother Osher,

I think there is no problem if you put a link to [www.corrietenboom.com](http://www.corrietenboom.com) on your website. We limit the links on our linkpage to sites that are directly related to Corrie ten Boom or people that were close to her. What is the address of you website? What you write looks interesting.

It is not up to us to give you permission to use the movie The Hiding Place. The Corrie ten Boom House Foundation doesn't own the rights. The movie is produced by the Billy Graham Evangelistic Association. You best contact them.

May Our Lord bless you and your ministry.

One in Yeshua,  
Joop Buker
