Dear

Thank you for the priveledge of introducing myself to you.Im honoured to have gone thru a tough 53 years of challenges that I can come and share with all the precious offenders-inmates & encourage them to know they can also have forgiveness,hope and become law abiding,responsiblecitizens when they come out.

29 years I lived in a terrible condition of being called a bloody jew,headaches,lies,backpain,skindesease,adultery,stealing,murder with my thoughts &tongue,porn,disrespect for my parents,government,teachers,rape,homosexual acts &confusion,anger,guilt&condemnation,strife,nohope,nopeace,fighting in the SA army &confused,drugs,anxiety,rasiscm,apartheid,hated,confusionetcetc.Many people have not been caught yet &imprisoned,but still live in a prison in their soul & homes out of prison.I felt like I had the devil on my shoulder all the time.I never knew who,how,where God is for 29years. THEN SUDDENLY in 1989,23 years ago I found my miracle,my salvation.

So the last 23years after miraculously meeting Jesus Christive been with Gods help getting my life in order.All the bad things-curses are gone.Gods Miracle for me,you and all offenders & it's a free gift, not forced.

Im passionate to come and share a 1 hour seminar to all your inmates.With questions & answers. I look forward to communicating with you so we can meet and arrange a date and time for this special time for you and your prisoners.

Please can you provide the photo copies for each prisoner & our travelling costs.

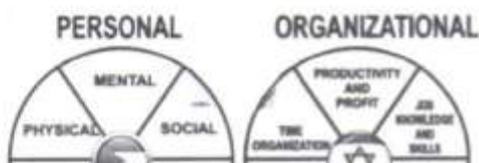

If you can help with some things and not others,just tell me and we still want to move forward and come do the seminar.God will provide.

Yours faithfully, Glenn Wayne Osher.
