Dear

Thank you for the priveledge of introducing myself & thank you for giving me an opportunity to come and share my testimony with all the kids on a day that suits you and a time. You can read my lifestory on my website,but in short I was a jewish boy that grew up on the streets of south Africa.Confused about who and what and where God is.Itfelf as if the devil was on my shoulder with curses,rasiscm,apartheid,lies,drugs,sickness,poverty,disrespect for parents,teachers,anger,unforgiveness,offense,strife,sleepingaround,porn,etc following me....I grew up for 29years with people calling me a bloody jew...until I met Jesus in 1989...ld like to share with the kids & teachers of my miracle salvation,how all my headaches,backpain,anger,rebillion,apartheid,rasiscm,disrespect for parents & teachers and everything else went away & I have become a responsible,humble,law abiding gracefull citizen of South Africa and the world.Im a young grandfather with 4 kids,2 grandkids,onewife,onedevorce.Mom still alive.Dad passed away,exmr universe and mr SA bodybuilding champion.

I also speak to prisons,hospitals,mosks,synagogues,hinu&buddisttemples.Im also involved with street people,squatter camp job creation & poverty alleviation & help people start their own business.Ive travelled on 30 aeroplanes,encouraging people of more than 40 nations. I talk for 20 minutes about all areas of our life and then for 40 minutes we answer the kids questions & give them solutions to their problems.

Thank you for letting us build bridges with your school.

If you can provide a photo copies for each child & our travelling expenses we will be very gratefull. Look forward to a lifetime of encouraging your school kids & teachers.
